Household Income Survey for ESSER Interim Final Rule Equitable Services
 for use in summer 2020 Consultation

Instructions: This form is email optimized for entering information, saving, and emailing to another party. Recommended use is as follows: School District enters District Name at top, saves, and emails to private school administrator. Private school admin emails to families. Families complete on their computers, save, and email back to private school administrator, who then emails forms showing qualifying students to the School District, thus establishing the “low-income” student count.

1. Name of private school: _____

2. How many students from your household attended this private school in March 2020? _____

What grade was each student in in March 2020? _____

3. Do any household members currently receive assistance through SNAP, TANF or FDPIR? yes no
If yes, STOP HERE. Students in your household qualify for “low-income” funding generation.

4. On the chart below, check the box indicating your Household Size (total adults and children who live there).
