Dear Parents/Guardians,

Based upon the residency form completed with this year's registration, your child qualifies as a participant in the Alcorn School District McKinney-Vento program. This program helps by providing needs that may arise for students who are between homes or not currently housed because of economic situations. As a part of the McKinney-Vento program, your child should have already received help with school supplies if needed from their respective schools.

The reason for this letter today is to inform you about another important aspect of the McKinney-Vento program. We want to connect families with resources throughout our community. The Alcorn area has many services available for needs such as: dental, prescription, medical, utilities and rental assistance. We also have several food pantries and clothes closets to help meet those specific needs.

Our district is hosting our first Community Resource Fair this week on **Thursday, March 7th** from **5:00-6:30 pm** at the **Northeast Extension Center on Harper Road** in which we want to assist families by helping make those connections of resources to families in need. I am attaching the flyer which will be sent home with every student in our district but I wanted to make your family especially aware of the fair. Please complete the attached **Comprehensive Needs Assessment** to allow me to assist with any specific needs of your child.

If you have any concerns or needs, please call the district office at 662-286-3202 and ask for Brian Phelps.

Thank you and we hope to see you at the Community Resource Fair this **Thursday, March 7th** at the **Northeast Extension Center on Harper Road from 5:00-6:30 pm.**

Larry B. Mitchell, Superintendent

Brian Phelps, McKinney-Vento Liaison
