Accessing the Homeless Module in MSIS

- Select Modules from the MSIS Main Screen
- 2. Next select Federal Programs from the drop box.
- 3. Finally select Homeless from the Federal Programs drop box.

- The indicator in SAP is selected as "Y" and the student's information populates on the homeless screens after the district has approved the MSD file sent to MDE.
- The student identification starts over in month 1 (by September 30).

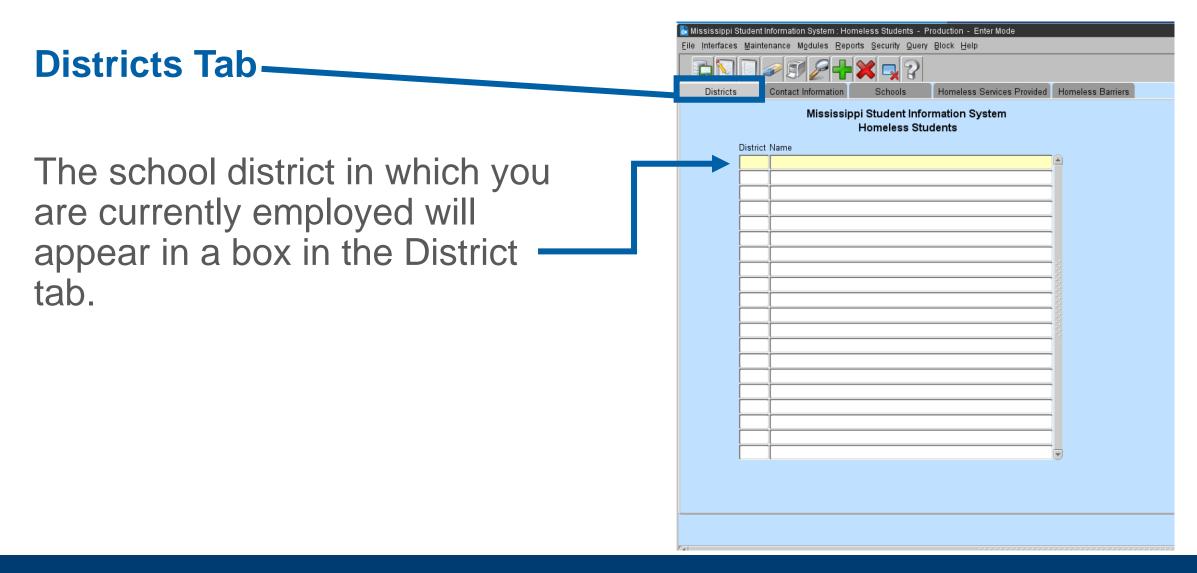

• Each Homeless student must be marked "Title I Homeless" in your SAP for each month they are considered Homeless.

 All students identified as "Homeless" retain the identification for the entire school year.

 This ensures the students being labeled Homeless in MSIS for those months.
